# SYSTEM BENEFITS

## DURABLE, SMOOTH, & EASY TO CLEAN

- Meets FDA/USDA requirements
- Designed to handle cookline temperatures up to 220°F
- Withstands extreme temperatures in freezer/coolers down to -40°F
- Seamless finish allows for a hygienic, easily cleanable flooring system
- Slip-resistant surface, minimizing slip & fall accidents
- Non-porous, waterproof surface
- Easily repairable and re-coatable
- Resistant to most common restaurant cleaners & chemicals
- Matching seamless cove base for wall protection
- UV stable for indoor or outdoor application
- Designed to withstand heavy impact and traffic
- Minimal maintenance required
- Aesthetically pleasing with many color options

*Integral 4" or 6" cove base creates a bathtub effect for effective waterproofing.*
